## 2024 Community Benefits

**Added 26 employed and independent providers**

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in behavioral health, emergency medicine, gastroenterology, infectious disease, oncology, orthopedic surgery, pathology, pediatric cardiology, radiation oncology, radiology and general surgery.

**Invested more than \$1.9 million in capital improvements**

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included construction of a sterile compounding room and clean storage room, and the addition of two modern hot water boilers at Lourdes Behavioral Health.

**Distributed a payroll of \$61,546,796 to approximately 650 employees**

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

**Donated more than \$24.7 million in services to those in need**

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.
