Lourdes Health is proud to be a part of Pasco and the surrounding region. As a leader in our community, we strive to provide the highest quality care possible—both inside and outside our hospital walls—and are committed to our region’s overall well-being. By creating places where people choose to come for healthcare, physicians want to practice and employees want to work, we are creating a legacy of care for today and generations to come. Thank you for your support.

— Rob Monical, CEO, Lourdes Health

In 2018, we...

...added 52 employed and affiliated providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high quality care. Last year, we added providers in a number of specialties, including pathology, urology, gastroenterology, rheumatology, dermatology, urgent care and our ER.

...made more than \$1.27 million in capital improvements

By continually investing in our facilities, we’re helping to ensure that we continue to meet our community’s healthcare needs. Last year’s investments included GI scopes, the da Vinci Xi surgical robot and mammography biopsy equipment.

...distributed a payroll of \$59,553,437 to 1,139 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high quality care and service.

...donated more than \$6.6 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$2,138,087 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
